

# CONSTRUCTION OF NEXUS

## CHANGES TO ACCESS AND CAR PARKING FROM MONDAY 28 NOVEMBER 2016

- Due to the construction of NEXUS - the University's new £40m innovation and enterprise centre - the car parking spaces under the cherry trees in the Orange Zone will no longer be available from Monday 28 November.
- Alternative parking is available to all Orange Zone users in the multi-storey car park.
- Following this, on Monday 12 December there will be a traffic diversion in place around the site, controlled by temporary traffic lights (highlighted in blue below).
